

Local Calling Areas

Your local phone service includes toll-free calling to anywhere within your Local Calling Area.

To determine your Local Calling Area, and see which numbers are toll-free "local calls" for you:

1. Find the first three digits of your phone number (your exchange) under the colored heading for your town.
2. Refer to the three-digit exchanges listed below the colored heading for your town. All calls made to these exchanges, plus all calls made to the Rochester Exchanges shown in the shaded box, are toll-free.
